your return, you may want to contact us for further details.

Note that if an organization makes Form 990 "widely available" an organization is not required to provide copies at any time. An example of "widely available" is posting the Form 990 to an organization's internet address so that the general public can freely access and download it to print a copy. If someone visits an organization to inspect a Form 990 in person, the organization must still allow inspection at the office; however, if the person requests a copy of Form 990, the organization can disclose the internet address from which he/she can print a copy of the Form 990.

We sincerely appreciate this opportunity to serve you. Please contact us if you have questions concerning the returns or if we may be of further assistance.
