

Alaska Education Tax Credit

The **Alaska Education Tax Credit Program** provides a tax credit to businesses that make contributions to Alaska universities and accredited nonprofit Alaska two-year or four-year colleges for direct instruction, research, and educational support purposes. The tax credit can also be taken for donations to a school district or state-operated vocational technical education and training school for vocational education courses, programs, and facilities. Donations to school districts for purposes other than vocational education courses, programs, and facilities do not qualify.

Changes in 2011 (effective July 1, 2011) allow donations for an annual intercollegiate sport tournament, Alaska Native cultural or heritage programs for public school staff and students, and a facility in the state that qualifies as a coastal ecosystem learning center under the Coastal American Partnership.

Who qualifies? If your company pays any of the following taxes to the State of Alaska you may be eligible to claim an Education Tax Credit:

- Alaska Corporate Income Tax (AS 43.20.011)
- Fisheries Business Tax (AS 43.75.015)
- Fishery Resource Landing Tax (AS 43.77.010)
- Insurance Premium Tax/Title Insurance Premium Tax (AS 21.89.070)
- Mining License Tax (AS 43.65.010)
- Oil and Gas Production and Transportation Tax (AS 43.56.010)
- Oil and Gas Property Tax (AS 43.55.011)

How much can companies save? The examples below reflect recent changes to Alaska law—effective January 1, 2011—that provide even greater benefits for schools. In addition to the state tax credit, businesses may qualify for federal tax savings by making charitable cash donations.
